Dear Layla,

How have you been? It's been awhile since we last talked, you know how tiring and exhausting exam weeks are. Now that it's over, I'd like you to ~~also~~ address my graduation ceremony next month.

The ceremony will ~~take~~ take place at the Opera venue in Zamalek. It'll be on day 15. I've heard many good reviews about this place so I've got high expectations.

~~Hardly~~ Little did I know how bittersweet it is to finally achieve my dreams after all this hard work, so I'd surely love to share this moment with you. I know you love attending such events, ~~so~~ which is why I had to get you a ticket. If you can bring Sarah over too I'd be ecstatic!

Being at the end of my teenage years is quite overwhelming, did you feel the same when you graduated? Anyways, How's your family? I miss our gatherings very deeply. Don't forget its ~~the~~ date next month, ~~remember~~ ~~that~~ you ~~mustn't~~ forget your ~~own~~ I'd be more than delighted to see you there!

yours, Lojaine.

Write an article about a place you have enjoyed visiting.

You **must** include:

- the name of the place
- when you visited the place
- what you did there
- why you enjoyed visiting the place.

Your article should be between 70 and 90 words.

[16 marks]

Have you ever visited ^{Cory Mall} ~~abundant~~ that made you feel like you're out of this world? Although I've visited an abundant amount of ~~places~~ ^{halls} in my country, this one was like no other. Why don't you check it out?

It is a place that holds a lot of everlasting warm memories. The courtyard, one of my favourite places of all time, is a mall that will forever have a special place in my heart.

~~There~~ Since it is located near my school, I've went there million of times, after exams and mocks, on the final days of school and even on winter breaks.

~~There~~ What makes this place stand out is the facilities in it. Not only did I enjoy playing at their arcade, but I also got to make new friends. The memories I share with my friends in the arcade will forever be cherished. Also I have really enjoyed eating at my favourite restaurant there. It is quite popular in the area and they have got amazing

reviews.

Hardly do I ever enjoy walking, but wandering about that place was nothing but fun and calming. This place makes me unwind and relax from the intense school work and assignments. Sitting there with my friends company is now one of my favourite activities.

At the end of the day, many people find other things they favour that are different from mine, so I'd say this place matches all tastes.

Write an article to explain how to help people in poverty.

You could explain:

- why it is important to help people in poverty
- ways to help people in poverty.

Your article should be between 100 and 150 words.

[23 marks]

~~It is~~ Isn't it about time we quit turning a blind eye to those who are desperate for help? Nowadays the numbers of people living in poverty are increasing rapidly, and there's nothing they can do about it. Have you ever pondered about how you'd cope if you were in their shoes?

~~Shedding~~ lights on the hardships of unfortunate people ~~there are many~~. Not only do poor people suffer from severe famine and lack of resources, but they also face many diseases and infections due to their unhygienic environment. ~~But~~ However, we can aid in making their lives better. ~~But from volunteering if these people continue~~
It is unfortunate how ~~poor~~ young people have to go through such experiences at a very young age; consequently, if they do not receive their justice, the numbers would only keep increasing. ~~But from~~
Coupled with reducing the numbers of homeless people around the globe, the rate of ^{local} diseases ~~that~~ would drastically decrease. ^{if we do our jobs.} if the government failed those people, ~~then we should do the same~~ will we fail them too?

→ In addition, providing daily necessities and basic need to them is crucial to give them a chance to live a better life and cease their urge to give up and commit suicide, which is a widely spread case ^{for} ~~is~~ the last decade.

Shedding ~~light~~ lights on various ways to stop this, there are many. Along with volunteering in charity programs and ~~giving~~ donating, addressing local events that raise huge capitals for charities ~~is~~ also of great help. ~~whether~~ whether its making boxes or donating old clothes you do not need anymore, it surely makes a ~~exte~~ colossal difference. Those people have no source of income, so it is intensely challenging to cater to their needs; However, ~~if~~ supplying them with basic needs, such as clothes, blankets and ~~hygiene~~ ^{hygiene} products is the least that we could do. ^{Sanitary}

To conclude, being a part of this society, we should help those around us, for we ~~we~~ could very possibly be in their place, to achieve a sense of fulfillment ~~and~~, be more confident of your well-being and be of an important role in this society.
