~~Hi Zein~~

Dear Zein,

How do you do? I heard that you got first place in the chess competition you took part in. Congratulations! Just a quickie to tell you about the "Amr Dab" concert being held at our school next week.

I know how big of a "Amr Dab" fan you are. That's why you're the first person I'm inviting to it. We'll have a ton of fun! Next week, our school will host the concert at the football fields in the school. There will also be merch shops so we can buy the "Amr Dab" shirts we've been wanting for ages. Not only will there be merch shops, but also every person attending will get a free meal. I'm thrilled to bits! I really think you should ^{come} so we can have a blast while also creating ~~a~~ ~~total~~ unforgettable memories with each other. We'll be over the moon!

I've got to go now to finish my homework and I'm waiting for your response.

Yours,
Omar.

~~Dear Settlers,~~

Just a quick recap to tell about a restaurant I enjoyed eating at last week.

The name of the restaurant was "Sizzler". It is a steakhouse located in the mall of Egypt. It is just beside the Cinema. I visited the restaurant last week with my family. Not only was it very crowded, but also it was very large with lots of tables. Since I really like trying new restaurants and new foods, I ordered a large steak with a side of mashed potatoes ~~on the side~~. After I finished, I ordered a blueberry cheesecake. Coupled with me trying the food, I also enjoyed the celebrations of my brother's birthday.

If you asked me what intrigued me the most toward that restaurant, I would certainly say the mouth-watering food. It was cooked ~~just right~~ perfectly and it was well-seasoned. Apart from the food being delicious, the service was amazing as

all the staff were nice and helpful,
resulting ~~in~~ⁱⁿ the experience being much more
enjoyable. ~~In~~ In addition, the music being
played there was very soothing and relaxing.

In conclusion, I would visit this
place again many times as it was a
wonderful experience.

Write an article to explain how to help people in poverty.

You could explain:

- ↑ community helpers
- ✓ why it is important to help people in poverty
 - ✓ ways to help people in poverty.

Your article should be between 100 and 150 words.

[23 marks]

Do not

~~Don't~~ you think the idea of poverty sounds underrated? Nowadays, people do not care for people in poverty or even help them.

Shedding light on why it is important to ^{help} people in poverty, there are many. Firstly, because people do not have money to buy food, they ~~can~~ could live in pain and potentially starve to death. That is why people should start taking serious action in helping these poor people. Not only would helping the people in poverty make the community much better and happier, resulting to a more stable society, but also it would help reducing the risk of diseases spreading which leads to a much healthier community as people in poverty are much more vulnerable to harmful diseases. ~~But~~

To spotlight how ^{we} ~~people~~ can help people in poverty, one should have a closer look. Coupled with the government increasing the ~~possibilities~~ chances of people decreasing the percentage of people in poverty by building donation centers, teachers at school should make kids learn the importance

of helping people in poverty. Due to the idea of helping people in poverty not being very popular nowadays, famous influencers should post videos ^{online} encouraging people to donate and help people in poverty ^{on} ~~in~~ Youtube, Twitter and Facebook. Moreover, since ^{rich} people ~~with~~ have some extra money that has no use, the ~~tax~~ government ~~company~~ should start ~~charging~~ ~~these people~~ taking a proportion of ~~that~~ ^{that} money in the sake of helping the less fortunate ones.

In a nutshell, I personally believe that everybody should try in anyway to help the people in poverty.
