This photo shows a ~~scenic~~ mesmerizing view of the deep ocean, where ^{two} scuba divers are viewing marine ^{life} ~~animals~~ and ~~aquatic~~ plants. On the left, there ~~is~~ a school of fish with many colours. A long yellow fish with blue stripes is leading a multitude of tiny orange fish. On the right, there are two scuba divers wearing ~~tight~~ black suits. They are both middle-aged men and the one on the ~~right~~ left has blonde straight hair. In the background, the bright golden rays of the sun strike through the water.

Dear Max,

Sorry that I haven't been writing to you for the past month, you know how busy I've been ~~was~~ studying for my final exams. Anyways, I'm writing to invite you to my birthday next week.

Next week is my 17th birthday and my parents have already planned a party next week. Although ~~my~~ my parents ~~don't~~ enjoy peaceful events, they decided to make this party a bigger one with a hectic atmosphere. The party will be at my house, because there's no reason to waste money booking another place.

Since you didn't attend my birthday party last ~~year~~ year, it would mean alot to me if you ~~came~~ come by this time. Last year I wasn't very happy during the party because you were on my mind. I really enjoy spending time with my favourite cousins ~~and~~. Trust me, you'll have so much fun playing games with us. Anyways, I hope you can make it.

yours, B

Bob

If you are seeking a mesmerizing experience ~~abroad~~ abroad, then why not visit the "Kingdom" hotel in Spain? The Kingdom hotel is a five-star hotel located in Madrid. ~~and~~ Millions of people around the world have left the hotel satisfied, and I am no exception. Not only does it offer a wide range of fun activities, but it is also ~~is~~ very affordable.

Although I don't usually travel abroad in winter, my family made a very rewarding decision when we decided to visit the Kingdom hotel in winter last year. ~~We were~~ Despite it being winter, the weather in Spain was perfectly warm and fresh.

Hardly do I ever manage to take part in many activities in one day, but at the Kingdom hotel, ~~I was~~ there wasn't a minute where I wasn't participating in an activity.

Since Spain is known for its beautiful beaches, we thought it would be a good idea to visit the local beach; consequently, we had the time of our lives. We did many things; such as swimming, playing volleyball, dancing

to the music at the beach and ~~by~~ laying down enjoying
the soft breeze.

If you asked me what I enjoyed about visiting
the Kingdom hotel, I'd definitely say how friendly the
people and staff are and the excellent service we were
treated with; however, what stands out most is the
peaceful atmosphere. Unless you visit the Kingdom
hotel, you'll & never know how beautiful it is.

Write an article to explain how to help people in poverty.

You could explain:

- why it is important to help people in poverty
- ways to help people in poverty.

Your article should be between 100 and 150 words.

[23 marks]

Should we continue turning a blind eye on the problems people in poverty face? In today's fast-paced world, the number of people in poverty increases rapidly each day. Not only do they face many struggles, but there are also people with the power to help them ~~that~~ choose to ignore them. I vehemently believe ~~so~~ that we as a society should help them, and there are many ways and reasons to do so.

Shedding light on the problems people in poverty face, there are many. First of all, people in poverty live in dangerous environments where there is no one to secure their safety. Coupled with sleeping in the ^{freezing} cold, people in poverty struggle to find food and water to keep them in good health. Moreover, the poor children have no source of education; therefore, they grow up without basic foundations that the rest of the world grew up with. They are in dire need of our help and it is a moral responsibility to do so.

~~Speaking about the ways~~

Speaking about the ways we could help people in poverty, there are many. Since the root cause of all the problems people in poverty face is

money, it is advisable ~~that we~~ to start a charity and organize charity events; consequently, people in poverty can benefit from the charity and can be supplied with the basic necessities that they lack. In addition, we should spread awareness about the problems people in poverty face, which can be done ~~by~~ through social media; therefore, more people would feel the need to help out.

To conclude, people in poverty are in need of our help. I vehemently believe that we as a society should step up and help people in poverty in anyway we can. Would you like to see one of ~~that~~ your friends in their position?
