Hi
~~There~~ Lujain,

What's up ? I wanted to drop a line to tell you about the latest updates. As you know, I'm ~~not a big fan~~ and I'll always be a big fan for organisation. That's why I decided to participate in a ~~local~~ local event called "unlock your potentials" event. This event ~~provides~~ provides the opportunity for everyone to stand on the stage and feel free to show their hidden talent.

Firstly, the event will take place in the school's park, where it can be seen by all the ~~the~~ students. As a consequence, many students will be able to participate as it's a very ~~known~~ well-known site in our school for gossiping and chatting, and I'm no exception. Personally, I would like to both organise and participate in the event as it's an unmissable chance to unwind and break the ice between students, which I find totally thrilling, don't you find it ? ~~Yes~~
~~Got~~ Got to dash as I have lots to do, See you soon!

yours,
Raghad.

“ My trip to Hurghada ”

~~XXXX~~ If you are looking for a mesmerising place where you can ~~xxxx~~ unwind and recharge, ~~XXXX~~ Hurghada should immediately cross your mind. The majority of people always ~~struggle~~ struggle to find a place ~~that~~ that suits their high standards, am I right?

Last summer, I had the opportunity to travel to Hurghada and honestly I am really grateful for having this unforgettable experience that created a long-lasting memory. Apart from Hurghada being the excellent place to relax and ~~relax~~ relieve stress, Hurghada, which has already owned my heart, is the best place to do a once in a lifetime activities that got me-thrilled to the bits, such as: diving, travelling on a boat trip and even having a walk on the beach during a picturesque sunset was definitely a second to none.

Not only does Hurghada provide people the unmissable chance to take part in many ~~exciting~~ exciting activities for their mental and

physical health, but also it brings people together either by uniting people with the same interests or by providing them a time to get to know each others' cultures and traditions, which may also lead to an unbreakable bond between people all around the globe.

In addition to breaking the ice between family members by spending priceless time together, Hurgheba allows them to get back to their home with a precious blend of shared memories ~~and~~ that they will always keep in mind. So for ~~an~~ a memorable experience try ~~it~~^{out} a guaranteed ~~an~~ exciting experience, Hurgheba.

Write an article to explain how to help people in poverty.

You could explain:

- why it is important to help people in poverty
- ways to help people in poverty.

Your article should be between 100 and 150 words.

[23 marks]

~~Should~~ ~~we~~ ~~continue~~ ~~turning~~ ~~a~~ ~~blind~~ ~~eye~~ ~~on~~
 how poverty and homelessness ~~are~~ are affecting
 present-day ~~society~~ societies? Many citizens in
 our globalised world suffer from poverty and
 famine that will soon lead to a catastrophe, if
 they are already not.

~~Primarily~~ Primarily, many unprivileged individuals
 are dying due to the lack of the basic
 necessities that they cannot afford in our pro-paced
 life. However, others may die from how ~~other~~
 other citizens look to them ^{with shame} ~~as if it~~
 is their own choice. Consequently, people should
 get rid of their non-sense attitude and do their
 best to help them to have a life they deserve
 as they will not be able to endure the situation
 they are in without being able to change it.

As we all know, helping them is a must as
 all the citizens play a salient role in environmental
 development that could not be overlooked.

Coupled with homeless people playing a crucial
 role in the society, homeless people, who we

should help, provide people an indirect opportunity to purchase positive morals and beneficial attitude by showing mercy.

From my perspective, we have ~~many~~ uncountable ways to help them. For example: raising awareness by sharing articles and on media. Moreover, people can participate in ~~charity~~ campaigns or donate to charities that help to inhibit poverty all-over the globe. Further more, giving speech in public places can also help to get people's attention, because the majority ~~don't~~ does not realise how much significant it is to help homeless people or they are still in a denial stage that homelessness and poverty are drastically ~~are~~ impacting the societies.

In a nutshell, we should all help them and pay attention to their presence as they are vehemently significant in our society, ~~are~~ am I right?
